Thank you, Frank. Yes, the Borough is available for the meeting on June 22. Would you please check with the EPA team on their availability next week (and maybe early the following week) for that meeting with the North Jersey District Water Supply Commission? Wanda

I have attached the confidentiality agreement that will cover the release of the backup documents that you requested. Please have this executed and returned to me and I will send you the CDs of the backup documents.

Also, I am waiting to hear from you regarding the 6/22 rescheduled date for our meeting. As soon as I confirm that date I will send an update. Regards, Frank
